Set You Free (The Time Frequency remix)

N-Trance

When I hold you baby
Feel your heartbeat close to me
Want to stay in your arms forever
Only love can set you freeWhen I wake each morning
As the storm beats down on me
And I know we belong together
Only love can set you freeSet you freeWhen we touch each other
In a state of ecstasy
Want this night to last forever
Only love can set you freeSet you freeWhen I hold you baby
Feel your heartbeat close to me
Want to stay in your arms forever
Only love can set you freeSet you free
