Ain't Nobody Home

Howard Tate

Once upon a time, a long long time ago
Wherever you would lead me, I would surely follow
Boy, you put me through some pain and misery
And now you're standing at my doorstep
Telling me how much you need meAin't nobody home
Ain't nobody homeHow many times I begged for you to come home
But you laughed at me and said to let you alone
Through my falling tears I saw you walk away
And now you're beg me to forgive you
But this time, baby, it's your turn to payAin't nobody home
Ain't nobody homeBoy, I used to love you
I placed no one else above you
I gave you everything that I owned
But baby, you can't come back here'Cause there ain't nobody home
Ain't nobody homeOnce upon a time, when you went on your way
How I hoped and prayed, that you'd come back some day
But time has made some changes and turned me upside down
And now you're beg me to forgive you
But this time, baby, you can turn right around'Cause there ain't nobody home
Ain't nobody home
Ain't nobody home
Ain't nobody home
Ain't nobody home
Ain't nobody home
