

Tough Girls Fight

Minecraft Jams

Come on phsyco lets do battle you might be a girl but your not fragile i dont think that you can win cause im the best thats ever been get your diamond sword and sheild meet me on the battle field dont be early dont be late be on time and meet your fait signed anonymous im not the girl you think i am not a hero like superman but ill never let the boys push me around im a lover through and through dont belive me but its true when my backs against the wall im like a tiger tough girls fight theyre emotional but they have might so devotional and always right uncontrolalble and tough girls fight if you challenge me youll see just how stron a girl can be but if your nice to me than ill be your best friend if you push me ill push back threaten me and ill attack what you get comes around its a king of thing tough girls fight theyre emotional but they have might so devotional and always right uncontrolable and tough girls fight tough girls fight now you see me now you dont im the one you fear the most yout time is up say goodbye prepare to lose your gonna die boys are stronger dont you know everyone has told you so im herobrine and this is my world your not that tough your just a girl your not that tough your just a silly girl tough girls fight theyre emotional but they have might so devotional and always right uncontrolable and tough girls fight hey tough girls fight theyre emotional but they have might so devotionaland always right uncontrolable and tough girls fight tough girl fight tough girls fight
