

We Are The People (Ted & Francis Remix)

Empire of the Sun

We can remember swimming in December,
Heading for the city lights in 1975,
We share in each other,
Nearer than father,
The scent of a lemon drips from your eyes We are the people that rule the world
A force running in every boy and girl
All rejoicing in the world
Take me now' we can try We lived an adventure
Love in the Summer
Followed the sun till night
Reminiscing other times of life
For each every other
The feeling was stronger
The shock hit eleven' Got lost in your eyes I can't do well when I think you're gonna leave me
But I know I try
Are you gonna leave me now
Can't you be believing now I can't do well when I think you're gonna leave me
But I know I try
Are you gonna leave me now
Can't you be believing now Can you remember and humanize
It was still where we'd energized
Lie in the sand and visualize
Like it's 75 again We are the people that rule the world
A force running in every boy and girl
All rejoicing in the world
Take me now' we can try I can't do well when I think you're gonna leave me
But I know I try
Are you gonna leave me now
Can't you be believing now I can't do well when I think you're gonna leave me
But I know I try
Are you gonna leave me now
Can't you be believing now I know everything about you
You know everything about me
Know everything about us I know everything about you
You know everything about me
Know everything about us I can't do well when I think you're gonna leave me
But I know I try
Are you gonna leave me now
Can't you be believing now I can't do well when I think you're gonna leave me

But I know I try
Are you gonna leave me now
Can't you be believing now I can't do well when I think you're gonna leave me
But I know I try
Are you gonna leave me now
Can't you be believing now
