Steal My Kisses

Jake Owen

I put in the Nashville, Tennessee
But you wouldn't even come around to see me
Since you're headed up to Carolina

Well, you know I'd be right there behind you'Cause I always have to steal my kisses from you

Always have to steal my kisses from you

Said, I always have to steal my kisses from you

Said, I-I-I've always got to steal my kisses from youNow I love to feel that warm southern rain

Just to hear it fall is the sweetest sound and thing

Had to see it fall on your simple, country dress

It's heaven to me, I must confess'Cause I always have to steal my kisses from you

Always have to steal my kisses from you

Said, I always have to steal my kisses from you

Said, I-I-I've always got to steal my kisses from youI've been hanging around you for days

But when I'm leaning in you just turn your head away

No, I know you didn't mean that

She said I love the way you think but I hate the way you are Cause I always have to steal my kisses from you

Always have to steal my kisses from you

Said, I always have to steal my kisses from you

Said, I-I-I've always got to steal my kisses from youI always have to steal my kisses from you

Always have to steal my kisses from you

Said, I always have to steal my kisses from you

Said, I-I-I've always got to steal my kisses from you
