

No. Don't Shoot

Foxy Shazam

He said breathe in
love is good to you
I can't say the same for me
SMILE!
love is good to you

I guess I'm not the only one
Q-tip and holstered guns
sesame seeds find your gun,
and I'll accuse you
because I've been so far
and I've been so wide
now I'm finding all these things i never knew existed

Since you since you since you since you
since you been gone
since you been good
since you been here
NO don't shoot,
NO don't shoot,
NO don't shoot,
NO!!!

Love is good to you
I can't say the same for me
SMILE!
Love is good to you

I guess I'm not the only one
Q-tips and holstered guns
Sesame seeds find your gun,
And I'll accuse you
Because I've been so far,
And I've been so wide
Now I'm finding all these things I never knew existed.

Since you, since you, since you, since you-
Since you been gone
Since you been good
Since you been here

NO don't shoot,
NO don't shoot,
NO don't shoot,
NO!!!

Since you, since you, since you, since you-
Since you been gone
Since you been good
Since you been here
NO don't shoot,
NO don't shoot,
NO don't shoot,
NO!!!

I was in the bathroom the other day at school
When a bar of soap under the sink caught my eye.
I picked it up and the name 'Lisa' was carved in it.

Nine years later I watched my only daughter
Walk beautifully down the aisle and she turns to me
And says the six words I'll remember for the rest of my life:
"EEE OOH AAH, BIGGITY BIGGITY BOO!"

I'm not a crook,
I'm not a crook,
I'm not a crook and I swear it

I'm not a crook,
I'm not a crook,
I'm not a crook I swear

Since you, since you, since you, since you-
Since you been gone
Since you been good
Since you been here
NO don't shoot,
NO don't shoot,
NO don't shoot,
NO!!!
