

Go Girl (Feat E-40) (Clean)

Baby Bash

Excuse me miss, what's your name
I don't wanna tell you the same ol' thing
Drop, drop it low, make, make it pop,
I can do this all night shorty
I don't wanna stop I need a go girl
I need a go girl, uh
Go, go girl, go, go, go, go, go
I need a go girl
I need a go girl Go girl, uh, a show girl,
Uh, go-getter, for cheddar,
Denero, dope girl, a money on the dance floor
Getting low girl, uh, a throw girl,
With game that'll make my toes curl
Cause she's a beast in the bed and I'm a beast with her
Beat it up like a champ and uh she re-twitter
