Crazy

Busta Rhymes

A million murder way, I come and I scorch this
Ain't nothing changed, niggas know I'm holdin' the torch bitch
Excessive with the heats how I'm holdin' the fourth set
I twist a niggas shit just like a fuckin' contortionist
This bang bully bust rhymes, I'm coming to squash shit
Demolish every horde, disintegrate in the marsh pit
Bad as animal rap, they love when their god speak
I know you wish you could, the way I bang
