

# Best of Me

Anthony Hamilton

It's simple, I love it  
Having you near me, having you here  
Our conversations, Outrageous  
you smile, then I smile then I say  
ooohhh- this is getting personal, personal, personal  
Lets stay for a while, and play, girl lets make this a moment  
oohhhhChorus:  
Giving you the best of me. Amazing, Amazing ooohh  
having you close to me, Amazing, Outrageous  
give your best to meGood Morning,  
Its breakfast,  
Lost track of time but- we had a ball  
Lets catch a movie, then dinner,  
tonight the night we'll just unwind and stay, hey lets stay personal, personal, personal  
lets stay for awhile and play, such a beautiful moment.
