

# Ants In The Kitchen

## Masters of Reality

[Chorus]

There's ants in the kitchen baby  
Thought I'd let you know  
There's ants in the kitchen  
Thought I'd let you knowThere's two right there  
Makin' off with the stereoThere's bugs in the compressor honey  
That's why the truck won't go  
There's bugs in the compressor honey  
That's why the truck won't goStuck in Indiana  
With a bug in my banana
