

Coming Over to My Place

Palma Violets

Comin ovet to my place
Go out on hi
Despite all the reasons, baby you cant seem to get on my time
Don't try to kiss me
You try it every time
Yet you're playin on my mind, you cant get on my time
you can start the slow jam
call me rebel aside
and the stakes roll by
and the stakes roll byyou side on whiskey, say i wanted gin
i don't care wherever it takes me , makes my emotions in love
and you say i gave out, starts to jekyl and hyde
yeah show whatever it needs, like a _____yes you will, yes you will, yes you willand the stakes roll by
and the stakes roll by
and the stakes roll by
and i would rather dieand ii, i would rather die
i would rather die
i would rather die bein in lovei, i would rather die
i would rather die
i would rather die bein in lovei, i would rather die
i would rather die
i would rather die bein in lovecomin over to my place
