

# Love is Dead

## Arborea

This is the hardest part  
When you feel like you're fading  
All that you have's become unreal  
Collapsing and aching  
All I want, all I want is right here  
But love don't live here anymore  
(Love is dead, love is gone, love don't live here anymore)  
Love don't live here anymore  
(Love is dead, love is gone, love don't live here anymore)  
I know that you think of me when you're  
Beside her, inside her  
It must be so hard for you to  
Deny it and hide it  
Oh, all I want, all I want is right here  
But love don't live here anymore  
(Love is dead, love is gone, love don't live here anymore)  
And love don't live here anymore  
(Love is dead, love is gone, love don't live here anymore)  
(Love is dead, love is gone, love don't live here anymore)  
Love don't live here anymore  
(Love is dead, love is gone, love don't live here anymore)  
Love don't live here anymore  
(Love is dead, love is gone, love don't live here anymore)  
(Love is dead, love is gone, love don't live here anymore)  
(Love is dead, love is gone, love don't live here anymore)  
Love don't live here anymore  
(Love is dead, love is gone, love don't live here anymore)  
Love don't live here anymore  
(Love is dead, love is gone, love don't live here anymore)  
Love don't live here anymore  
Love don't live here anymore  
Love don't live here anymore  
Love don't live here anymore  
Love don't live here anymore
