Loving Is Easy

Barclay James Harvest

Even the bad times are good when you're round
Darlin', you kiss away all my blues
Even the hard times are easy to face
'Cause I know that your love will come through.You light up my flame, then you drive me insane
There ain't nothing that you cannot do
Then you grab for my heart, you just tear it apart
As I shoot all my love into you[Chorus]
Lovin' is easy with both eyes closed
You know that's the best way to feel it
Lovin' is easy with both eyes closed
Just get a hold and watch how it grows.Now even the bad times are good when you're round
Darlin', you kiss away all my blues.
Even the hard times are easy to face
'Cause I know that your love will come through.You light up my soul, and then fill up the whole
Of your being, your love, your desire
Then you grab for my heart you just tear it apart
As I shoot all my love in your fireLovin' is easy ...
