

# Just Tell Her Jim Said Hello

Elvis Presley

She's sitting right over there  
I'd know that face anywhere  
I'd run up and embrace her  
But I'm ashamed to face her  
Just tell her Jim said hello I'd like to pour out my heart  
But I don't know where to start  
I'd like to tell her  
What I'm really feeling but  
Just tell her Jim said hello Just tell her Jim said hello  
Just tell her Jim and she'll know Don't tell her I'm feeling blue  
That's just between me and you  
Don't say I'm thinking of her  
Don't tell her I still love her  
Just tell her Jim said hello
