Bass Down Low

Dev

If you wanna get with me
There's some things you gotta know
I like my beats fast
And my bass down low
Ba-ba-ba-bass down low
Ba-bass, bass down low
I, I, I like my beats fast
And my bass down low
Bass, bass down low
Ba-bass, bass down low
I, I, I like my beats fast
And my bass down low
It's like 1, 2, 3, fuck it
I'm about to take this drink and just stuff it
Fish tank this thang along with four more shots Potron
I don't give a fuck about goin' home
Straight buzzin', Robitussin
Wanna get your mitts in my oven?
Wanna get a lick of this lovin'?
G-g-g-get, get a lick of this lovin'
Yeah, I like it loud
And I'll make you shout
Give you that Black Eyed Peas
You know that boom boom pow
If you wanna get with me
There's some things you gotta know
I like my beats fast
And my bass down low
Bass, bass down low
Ba-bass, bass down low
I, I, I like my beats fast
And my bass down low
(Drop it to the floor)
Bass down low
Ba-bass, bass down low
(Drop it to the floor)
I, I, I like my beats fast
And my bass down low
(Drop it to the floor)

Bass down low
Ba-bass, bass down low
(Drop it to the floor)
I, I, I like my beats fast
And my bass down low
It's like 1, 2, 3, okay
Can I get a little Goose in my O.J.?
E'rey day feel like my birthday
And we sip champagne when we thirsty
Quit fightin' while your husband
Tryin' to get his mitts in my oven
Wanna get a lick of this lovin'?
G-g-g-get, get a lick of this lovin'
Yeah, I like it loud
And I make you shout
Give you that Black Eyed Peas
You know that boom boom pow
If you wanna get with me
There's some things you gotta know
I like my beats fast
And my bass down low
Ba-ba-bass, bass down low
Ba-bass, bass down low
I, I, I like my beats fast
And my bass down low
(Drop it to the floor)
Bass down low
Ba-bass, bass down low
(Drop it to the floor)
I, I, I like my beats fast
And my bass down low
(Drop it to the floor)
Bass down low
Ba-bass, bass down low
(Drop it to the floor)
I, I, I like my beats fast
And my bass down low
I got a question for you
Do you like it when I flow?
I got a question for you, ooh, ooh
Do you like it when I flow?
With my bass down low
It's like la la la la, la la la la
La la la la, la la la la
La la la la, la la la la

La la la la, la la la la
If you wanna get with me
There's some things you gotta know
(Drop it to the floor)
Bass down low
Ba-bass, bass down low
(Drop it to the floor)
I, I, I like my beats fast
And my bass down low
(Drop it to the floor)
Ba-ba-bass down low
Ba-bass, bass down low
(Drop it to the floor)
I, I, I like my beats fast
And my bass down low
