Don't Call It Love

[Littl'ans](#)

Nobody believes that I really care for you
They don't think my heart is true, I don't think you agree
You know I'm a lifetime guarantee
So if they ask you what you mean to meDon't call it love, heaven's above
We got a better thing
Don't call it love, that ain't enough
Just tell them you're my everythingNobody believes that we got something they ain't got
They've never seen a fire this hot, they never got that far
They're burning as bright as any star
So if they asked you what your feelings areDon't call it love, heaven's above
We got a better thing, baby
So don't call it love, that ain't enough
Just tell them you're my everythingFeels so good, holding tight
Rolling through the night
But they can call it what they like
But they ain't got it right, no, no, noSo don't call it love, heaven's above
We got a better thing
Don't call it love, that ain't enough
Just tell them you're my everything, baby, pleaseDon't call it love, heaven's above
We got a better thing, yes, we do
Don't call it love
Tell them you're my everythingDon't call it love, heaven's above
We got a better thing
Don't call it love
Tell them you're my everythingDon't call it love
We got a better thing
