

White God

Candlemass

Tribal conquest
Jungle war
Native's restless
Human gods
In the delta
Demon mass
There's no shelter
The killing force
When do you lose
Your sinister game?
Mysterious evil
Going insane
Sold your religion
Births of our bane
Just an accomplice
Left to invade
Run from sadness
Goes and comes
Drugs and madness
Hear the drums
Primal worship
Skulls and sand
Guns and warships
White god's hand
When do you lose
Your sinister game?
Mysterious evil
Going insane
Sold your religion
births of our bane
Just an accomplice
Left to invade
Tribal conquest
Jungle war
Nature's restless
Human gods
In the delta
Demon mass
There's no shelter

The killing force
When do you lose
Your sinister game?
Mysterious evil
Going insane
Sold your religion
births of our bane
Just an accomplice
Left to invade
