The Bridge

PAW

You cross the tracks
Laid your head in my lap
Put your mouth on me
For the second time
Pull your, dress up slow
It's too dark to see good, and really
Oh, was it worth the price?Yeah, and do you remember
Aw, how you lied to me?
Yeah, and have you forgotten
Yeah, how I listened?
And do you remember
How you lied to me?
Have you forgotten
How I listened?
Too dumb to see
That you've been lying
Too blind to feel
I can find
What you're hiding
Dog-bite, angry on the inside
Your doing everything you can
To end this ride
And do you remember
How you lied to me?
Have you forgotten
Yeah, how I listened?
And do you remember
Where you lied to me
Underneath the bridge?
Did you listen?
No, no, no, no, no, no, no!And do you remember
How you lied to me?
Have you forgotten
Yeah, how I listened?
And do you remember
Aw, where you lied to me
Underneath the bridge?
Did you listen?
No!

So kiss me again
Oh, before you lie to me
Ah, Down by the bridge
Yeah, down by the bridge
Yeah, down by the bridge
