

Freeze

Fury In The Slaughterhouse

Well, I never saw someone like you before
But I guess
Cause I know me that I won't ask you before
You've reached the door so please
Freeze for me Freeze for me
Freeze for me
And don't go
Don't go
Don't go
Don't go Wait, until I've found the words I'd like to say
Today's the day
Stay, just one more second
Ok, I'm on the line
Always straight but always late
So freeze for me Freeze for me
Freeze for me
And don't go
Don't go
Don't go
Don't go
