

Erased

Dead by April

Here is no one left to trust, erase a lie, one that I can see!
(There is left this enormous burn, for there's left to remain)
I am walking through, watching what's left) Hold me close, this is what I see, emptiness in me
This is how I feel, This is what is real
I can't move back, (What is left in your life)
I can't replace (what is pain in your eyes)"I crawl my way through every day,
Erase your lie (always there for me)
(Give me the thought to pass this behavior, I am walking through fire...)
(Standing alone, I'll burn out these thoughts) Walk me through, this is what I see, emptiness in me
This is how I feel, this is what is real
I can't move back, (What is left in your life?)
I can't replace (What is pain in, pain in this life)
(Pain in this life) This is all that is left for me
Hold me close, this is what I see, emptiness in me
This is how I feel, This is what is real
I can't move back, (What is left in your life)
I can't replace (what is pain in your eyes) This is what I see, emptiness in me
This is how I feel, This is what is real
I can't move back, (What is left in your life)
I can't replace (what is pain in your eyes)
