Cool jerk
Cool jerk
Cool jerk
Cool jerkWell, I know a cat who can really do the cool jerk
I know a cat who can really do the cool jerk
Well, this cat that you're talkin' about
Has nothing, nothing on me
'Cuz I know I'm the heppest cat
The heppest cat that ever could beWell, they see me walkin' down the street
The say hey
All them fellas drop to their knees
The say hey
I'm the reason that they don't smirk
'Cuz they know I'm the queen of the cool jerkCool jerk
Cool jerk
