

Come Here My Love

This Mortal Coil

Come here my love
This feeling has me spellbound
It's the storyline, in paragraphs
Laid down to sameIn fathoms of my inner mind
I'm mystified, oh, by this mood
This melancholy feeling
That just don't do no goodCome here my love
And I will lift my spirits high for you
I'd like to fly away
And spend a day or twoJust contemplating the fields and leaves
And talking about nothing
Just layin' down in shades of effervescent
The effervescent odors and shades of time and tideI'm falling through
Become enraptured by the sights and sounds
In intrigue of nature and beauty
Come along with me and take it all in
Come here my love
