

Pockets

Joe Wise

Kid: We are rolling pockets, take two.

Leader: 1, 2, 3, 4, 5

Kid: 5?

Leader: Yeah, 5.

I got five pockets in my overalls

I got five pockets in my overalls

I got two on the back

One on the bib

And two in the ordinary, everyday, regular place,

In the front

With kids: I got five pockets in my overalls

I got five pockets in my overalls

I got two on the back

One on the bib

And two in the ordinary, everyday, regular, where you gotta look when you want to find them anyways place,

In the front

In the one on the right in the back,

Got a nickel from my old uncle Zack

It's so special,

Got a indent on it with a great big buffalo-o,

Right on the back

With kids: Got a indent on it with a great big buffalo-o,

Right on the back

Leader: Cross your heart?
Kids: Cross our hearts.

It's a needle and a thread
And I'm gonna make a spread for my grandma's bed and it only 'otta take about a year or two.
Kids: Two years?!
