Wait a Million Years (Re-Recorded Version)

The Grass Roots

All of the lonely nights
Waiting for you to come
Longing to hold you tight
I need you so desperately
Waiting for you to come
Bring all your love to me
But I'd wait a million years,
Walk a million miles,
Cry a million tears
I'd swim the deepest sea,
Climb the highest hill
Just to have you near me
If love is reality,
When you are near to me,
I am in ecstasy.
I'd swallow the pain and pride
Baby, I just can't hide
All that I feel inside.
And I'd wait a million years,
Walk a million miles,
Cry a million tears
I'd swim the deepest sea,
Climb the highest hill
Just to have you near me
A million years,
I would wait for you a million tears,
Baby, I'd be true a million miles,
I would follow you a million years,
If you want me to
Pacing the floor, detest
Sweat pouring down my chest,
Girl I can't love you less.
It's worth all the pain and pride
Baby, I just can't hide
All that I feel inside.
And I'd wait a million years,
Walk a million miles,
Cry a million tears.
I'd swim the deepest sea,

Climb the highest hill
Just to have you near me.
I'd wait a million years,
Walk a million miles,
Cry a million tears.
I'd swim the deepest sea,
Climb the highest hill
Just to have you near me.
I'd wait a million years,
Walk a million miles,
Cry a million tears
If you want me to
