

Masters Of The World

La Maravillosa Orquesta del Alcohol (La M.O.D.A)

We're a small crowd left to rotten, there's not many hard souls left
As the pop is growing stronger, will metal fade away
Will we be broken, will we go down?
No! We'll never fall
we're the masters of the world
Get up let's break those chains now and party all night long
No! We'll never fall we're the masters of the world
Get up let's break those chains now and party all night long
As I'm tweaking with my radio, there's disco
everywhere
When I turn on my big TV, is hip hop what I want to see?
Have we been broken, did we go down?
No! We'll
never fall we're the masters of the world
Get up let's break those chains now and party all night long
No! We'll never fall we're the masters of the world
Get up let's break those chains now and party all night long
No! We'll never fall we're the masters of the world
Get up let's break those chains now and party all night long
No! We'll never fall we're the masters of the world
Get up let's break those chains now and party all night long
Get up let's break those chains now and party all night long
