

# Long Road To Ruin

## Foo Fighters

Here now, don't make a sound  
Say, have you heard the news today?  
One flag was taken down  
To raise another in its place  
A heavy cross you bear  
A stubborn heart remains unchanged  
No harm, no life, no love  
No stranger singin' in your name  
But maybe the season  
The colors change in the valley skies  
Dear God, I've sealed my fate  
Runnin' through hell, heaven can wait  
Long road to ruin there in your eyes  
Under the cold streetlights  
No tomorrow, no dead end in sight  
Let's say we take this town  
No king or queen of any state  
Get up to shut it down  
Open the streets and raise the gates  
I know a wall to scale  
I know a field without a name  
Head on without a care  
Before it's way too late  
Maybe the season  
The colors change in the valley skies  
Oh God, I've sealed my fate  
Runnin' through hell, heaven can wait  
Long road to ruin there in your eyes  
Under the cold streetlights  
No tomorrow, no dead end  
Long road to ruin there in your eyes  
Under the cold streetlights  
No tomorrow, no dead end in sight  
For every piece to fall in place  
Forever gone without a trace  
Your horizon takes its shape  
No turnin' back, don't turn that page  
Come now, I'm leavin' here tonight  
Come now, let's leave it all behind

Is that the price you pay  
Runnin' through hell, heaven can wait  
Long road to ruin there in your eyes  
Under the cold streetlights  
No tomorrow, no dead ends  
Long road to ruin there in your eyes  
Under the cold streetlights  
No tomorrow, no dead ends  
Long road to ruin there in your eyes  
Under the cold streetlights  
No tomorrow, no dead end in sight
