No Substitute Love

Estelle

You know who it is

Oh boy, oh boy, I'm not your substitute lover, oh no

Said boy, oh boy, I'm not your substitute lover, oh noI know it would have been nice if I could have had your body

Knowing that everybody ain't been with you

But you told me lies you made me give my heart away

But now I know the games you play so I'm through with youOh boy, oh boy, I'm not your substitute lover, oh

Said boy, oh boy, I'm not your substitute lover, oh noYou know there's gonna be a fight if these chicks keep calling you at night

I seen that text your tryin' to hide see I know the truth

Must be outta your mind, you thought you'd never see the day

You thought I'd let a player play but I'ma upgrade you, listen boyOh boy, oh boy, I'm not your substitute lover, oh no

Said boy, oh boy, I'm not your substitute lover, oh noSee there's not much you can say

He said he's done changed and I finished today

'Cause I can't do it no more, I won't be there when you call

So you besta move on, move on

'Cause I couldn't be your, your substitute no moreListen I see you called my name like I'm going outta fashion

And turn around and act like nutting ain't happen

Like nar nuttins crackin'Only when you need a chick

Only when you think about dis hotness you get itch

That's when you get the itch, baby, let me be a bitch

Boy, who you think you is bad gal nar tek disActin' like a little boy play me like a decoy

You need to grow a couple boy

You ain't 'bout nuttin', boyOh boy, oh boy, I'm not your substitute lover, oh no Said boy, oh boy, I'm not your substitute lover, oh noOh boy, oh boy, I'm not your substitute lover, oh no Said boy, oh boy, I'm not your substitute lover, oh no
