

Ballerina

Alexa Carter

Open up the top of the music box
And Iâ€™ll dance for you
Do you think Iâ€™m pretty too?

Come and hear the cry of my lullaby
That I sing for you
Am I gettinâ€™ through to you?

Iâ€™m not the type to get so wrapped up like this
Love struck fool soâ€™

Iâ€™m nobodyâ€™s ragdoll
Iâ€™m nobodyâ€™s last call
You think youâ€™ve got me â€™cause I spin in when you wind me up but
Iâ€™m nobodyâ€™s ballerina

One last time around and Iâ€™ll take a bow
When the curtains close
Youâ€™ll be sittinâ€™ all alone

Betcha never thought I was strong enough
To really say goodbye
Well baby,
Watch me fly high

Gonna wash away this smile I painted
Itâ€™s too damn hard to fake it

Iâ€™m nobodyâ€™s ragdoll
Iâ€™m nobodyâ€™s last call
You think youâ€™ve got me â€™cause I spin in when you wind me up but
Iâ€™m nobodyâ€™s ballerina

Iâ€™m nobodyâ€™s ragdoll
Iâ€™m nobodyâ€™s last call
You think youâ€™ve got me â€™cause I spin in when you wind me up but
Iâ€™m nobodyâ€™s ballerina

Come and hear the cry of my lullaby
That I sing for you

Am I gettin' through to you?
