

Ami, I'm Sorry

[Lisa Loeb](#)

Ami, Im sorry I am calling,
Im sorry, I tried,
but these tears in my eyes have blurred all my vision.
I know its not safe when you cant see the road,
and you always thought that Id make it alone,
but now all Ive done is to prove you wrong.
Ami, Im sorry,Ami, Im sorry, dont hang up the phone,
I know that its too late to call.
Whats bothering mes how I cant figure out where I am.
Its hard to ask for help from you now,
but Ive reached the end on the edge of this town,
and I dont want to give up, cause Ill just let you down.
Ami, Im sorry, I dont even know where Im calling you from.
Ami, its raining and I dont really care
if I ever see the sun shining again.
Ami, Im sorry I promised so much.
Ami, Im sorry Im feeling so lost.
Ami, Im sorry Im making you sad.
I dont know what Im going to do.
But Ami, Im sorry I am calling
Ami, Im sorry I am calling.
Ami, Im sorry Im calling,
