Carson Marion

2x [Chorus]Whatchu gonna do
Whatchu gonna do
When I tell you
When I tell you
That Love Hurts, baby
That Love Hurts, babyWhatchu gonna do
Whatchu gonna do
When I tell you
When I tell you
That Love Hurts, baby
That Love Hurts, babyI can forgive you
but i can't forget
all of the rude and shitty
things that you've saidOoh Babe, I love you
and I will forever
but, don't think i won't cry
never say never[Verse 1]Lovin' in the back of a Limousine
All the hateful things, that were said to me
Sorry little Baby. I'm a 1,2,3
Go smash on your attitude
like you smash me.. ohI can't deny i fucking love it
and I can't deny i love your lovin'
but you treat me like I'm a fucking
Buckle on a Belt
Make me feel things - That I've never fucking felt2x [Chorus][Verse 1]
