

Rock me tonight

Winston Groovy

Oh, ho, ah,
Come on and rock me, ooh, girl
Oh, ooh, oh, ooh, ooh, oh,
Come on and rock me, ooh, girl

Hey, girl, long time no see
Do you have a little time to spend with me
I want to know what's been going on
In your life, huh, talk to me, baby

Your hair, perfume you wear
Brings back memories, oh, of you and me
You look so fine, you blow my mind
All over again, ooh, ooh, ooh, ooh, ooh,

So much has happened in my life
Since we partied
What about you
Now I've got myself together
And I know just what I want
And right now I know that it's you, you

Rock me tonight for old times sake
Would you, baby, hey
Roll with me tonight for old times sake
Ooh, ooh, ooh, oh, oh,

Ooh, girl, I'm gonna love you real good
Come on let me do it now, you know I could
I really miss the way you squeeze and moan
And call out my name, woo, woo, woo, you can call me, baby

I remember you love to take your time
To get in the mood, ooh, ooh, ooh, yes, you can call me, baby

I remember you love to take your time
To get in the mood, ooh, ooh, ooh, yes, you do, yeah
But once you're in the mood
You like to go shake to the groove, oh, oh, oh, oh, oh, yes, you do, girl

It's been so long since we've had
A night together
I miss you
When I get through lovin' you, girl
Fire and desire
Will burn in you forever more, more

Rock me tonight for old times sake
Would you, baby, hey
Roll with me tonight for old times sake
Woo, woo, would you, would you, would you

Rock me tonight for old times sake
Sweet, baby, yeah
Roll with me tonight for old times sake
Oh, girl, come on and rock

So much has happened in my life
Since we partied
What about you
Oh, now I've got myself together
And I know just what I want
And right now, girl, it's you, you

Rock me tonight for old times sake (Sake)
Won't you, baby, hey
Roll, roll with me tonight for old times sake
Feels so good, feels so right

Would you rock with me tonight for old times sake
Sweet baby, yeah
Would you come and roll with me tonight for old times sake
Oh, girl

Come on and rock me
Come on and roll with me, baby
Come on and rock me
Roll with me

I want to feel you next to me
I want you to do the things that we used to do together
Come on let's make it right

I want to feel you rock with a lot of lovin'
The way I used to do, girl

Do you remember

I want to rock and roll with you, baby

Come on, hey

I'm gonna rock and roll and hold and squeeze ya

Sweet thing, yeah"
