

Evolution (David Garcia & Morgan Page Dub)

Korn

I diggin' with my fingertips
I'm gripping at the ground I stand upon
I'm searching for fragile bones
Evolution I'm never gonna be refined
Keep trying but I won't assimilate
Should we have come far in time
Watch the ground break And I'm sorry that I don't believe
By the evidence that I see
That there's any hope left for me
It's evolution
Just evolution And I, I do not dare deny
The basic beast inside
It's right here
It's controlling my mind
And why do I deserve to die?
I'm dominated by
This animal that's locked up inside Close up to get a real good view
I'm betting that the species will survive
Hold tight, I'm getting inside you
Evolution
And when were gonna find these bones
They're gonna want to keep them in a jar
The number one virus caused by
Procreation And the planet may go astray
In a million years I say
Those motherfuckers were all deranged
It's evolution
Just evolution And I, I do not dare deny
The basic beast inside
It's right here
It's controlling my mind
And why do I deserve to die?
I'm dominated by
This animal that's locked up inside Take a look around
Nothing much has changed
Take a look around
Nothing much has changed
Take a look around
Take a look around

Take a look around
Take a look around
Nothing much has changed
Take a look around
Nothing much has changedI, I do not dare deny
The basic beast inside
It's right here
It's controlling my mind
And why do I deserve to die?
I'm dominated by
This animal that's locked up insideWhy?
Why do I deserve to die?
Why?
