Let it play all night long.That's my favorite song.  
Let it play on and on and on  
That's my favorite song  
And we'll keep getting it on.It's a plain and simple song  
And the atmosphere is here  
Good vibrations are near  
And I wanna make love to you my dearThat's the same sweet song  
That played the night we first got it on

And we'll keep getting it on.And we'll keep getting it on  
To my favorite song

To my favorite song  
We'll keep making love  
to my favorite songTaking me high as a kite  
Girl your love is burning fire tonight  
Girl, I'm on fire tonight  
Got to release this heavy load  
In a minute I'm gonna explode all over you
