

That's How Strong My Love Is

Paul Rodgers

If I was the sun way up there
I'd go with love most everywhere
I'll be the moon when the sun goes down
Just to let you know that I'm still around

That's how strong my love is, oh
That's how strong my love is,
That's how strong my love is, baby, baby,
That's how strong my love is.

I'll be the weeping willow drowning in my tears
You can go swimming when you're here
I'll be the rainbow when the sun is gone
Wrap you in my colors and keep you warm

That's how strong my love is, darling,
That's how strong my love is, baby,
That's how strong my love is, oooh,
That's how strong my love is.

I'll be the ocean so deep and wide
I'll get out the tears whenever you cry,
I'll be the breeze after the storm is gone
To dry your eyes and love you warm

That's how strong my love is, baby,
That's how strong my love is,
That's how strong my love is, darling,
That's how strong my love is,

That's how strong my love is, so deep in,
Well, that's how strong my love is
So much love, yes so much love, oooh,
Yes so much love, yes so much love,
Anything that I can do, I'll be good for you,
Any kind of love you want, I'll be with you....
