

I Will Be There (We Are â€œOhana)

Hawaiian Style Band

With the rolling waters,
let the new day come.
All the sons and daughters
in the eyes of the morning sun.
We are Ohana. We're ever born and raised.
And I will stand by you untill my dieing day.
I sing this promise, my word as deep as the sea.
Dedicate myself to you and you to me.
We stand together.
A million stars above.
We are forever, forever livin love.
Let the mountains rumble,
let the ocean rise,
let the wind come calling.

I will be there for you. (x3)
Now as I contemplate this golden shore,
so many riches here,
who could ask for more?
The spirit of the people,
the love of family.
These things that matter,
these are the things I see.
So, let the mountain rumble,
let the ocean rise,
let the wind come howling.
And you know I love you,
You are my hope on high.
When all is said and done,
I will be there for you.
Na na na, There for you.
I'll be there,
(I will be there for you)x2
We are Ohana.
(I will be there for you)x6
Forever Ohana!
