

Rescue

Echo & the Bunnymen

If I said I'd lost my way
Would you sympathize?
Could you sympathize? I'm jumbled up
Maybe I'm losing my touch
I'm jumbled up
Maybe I'm losing my touch
But you know I didn't have it anyway Won't you come on down to my?
Won't you come on down to my rescue? Things are wrong
Things are going wrong
Can you tell that in a song?
I don't know what I want anymore
First I want a kiss and then I want it all Won't you come on down to my?
Won't you come on down to my rescue
Rescue, rescue, rescue? Things are wrong
Things are going wrong
Can you tell that in a song?
Losing sense of those harder things
Is this the blues I'm singing? Is this the blues I'm singing?
Is this the blues I'm singing?
Is this the blues I'm singing? Won't you come on down to my?
Won't you come on down to my rescue?
Is this the blues I'm singing?
Won't you come on down to my rescue? Won't you come on down to my?
Won't you come on down to my?
Won't you come on down to my? Won't you come on down to my?
(Is this the blues I'm singing?)
Won't you come on down to my?
(Rescue) Won't you come on down to my?
(Is this the blues I'm singing?)
(Rescue)
Won't you come on down to my?
(Is this the blues I'm singing?)
(Rescue) Won't you come on down to my?
(Is this the blues I'm singing?)
(Rescue)
Won't you come on down to my?
(Is this the, I'm singing?) Won't you come on down to my?
(Is this the, I'm singing?)
