Girl At Home

Taylor Swift

Don't look at me you've got a girl at home and everybody knows that
Everybody knows that
Don't look at me you've got a girl at home and everybody knows that

I don't even know her but I feel a responsibility to do what's upstanding and right
It's kinda like a code, yeah
And you've been getting closer and closer and crossing so many lines

And it would be a fine proposition, if I was a stupid girl
But honey I am no one's exception
This I have previously learned

So don't look at me you've got a girl at home and everybody knows that
Everybody knows that
Don't look at me you've got a girl at home and everybody knows that
Everybody knows that
I see you turn off your phone
And now you got me alone and I say
Don't look at me you've got a girl at home and everybody knows that
Everybody knows that

I just wanna make sure
You understand perfectly
You're the kind of man who makes me sad
While she waits up
You chase down the newest thing
And take for granted what you have

And it would be a fine preposition
If I was a stupid girl
And yeah I might go with it
If I hadn't once been just like her

So don't look at me you've got a girl at home and everybody knows that
Everybody knows that
Don't look at me you've got a girl at home and everybody knows that
Everybody knows that
I see you turn off your phone
And now you got me alone and I say
Don't look at me you've got a girl at home and everybody knows that

Everybody knows that

Call a cab
Lose my number
You're about to lose your girl
Call a cab
Lose my number
Let's consider this lesson learned

Don't look at me you've got a girl at home and everybody knows that
Everybody knows that
Don't look at me you've got a girl at home and everybody knows that
Everybody knows that

Wanna see you pick up your phone
And tell her you're coming home
Don't look at me you've got a girl at home and everybody knows that
Everybody knows that
Don't look at me you've got a girl at home and everybody knows that
Everybody knows that

It would be a fine proposition
If I hadn't once been just like her
