

Girl At Home

Taylor Swift

Don't look at me you've got a girl at home and everybody knows that
Everybody knows that

Don't look at me you've got a girl at home and everybody knows that

I don't even know her but I feel a responsibility to do what's upstanding and right

It's kinda like a code, yeah

And you've been getting closer and closer and crossing so many lines

And it would be a fine proposition, if I was a stupid girl

But honey I am no one's exception

This I have previously learned

So don't look at me you've got a girl at home and everybody knows that

Everybody knows that

Don't look at me you've got a girl at home and everybody knows that

Everybody knows that

I see you turn off your phone

And now you got me alone and I say

Don't look at me you've got a girl at home and everybody knows that

Everybody knows that

I just wanna make sure

You understand perfectly

You're the kind of man who makes me sad

While she waits up

You chase down the newest thing

And take for granted what you have

And it would be a fine preposition

If I was a stupid girl

And yeah I might go with it

If I hadn't once been just like her

So don't look at me you've got a girl at home and everybody knows that

Everybody knows that

Don't look at me you've got a girl at home and everybody knows that

Everybody knows that

I see you turn off your phone

And now you got me alone and I say

Don't look at me you've got a girl at home and everybody knows that

Everybody knows that

Call a cab

Lose my number

You're about to lose your girl

Call a cab

Lose my number

Let's consider this lesson learned

Don't look at me you've got a girl at home and everybody knows that

Everybody knows that

Don't look at me you've got a girl at home and everybody knows that

Everybody knows that

Wanna see you pick up your phone

And tell her you're coming home

Don't look at me you've got a girl at home and everybody knows that

Everybody knows that

Don't look at me you've got a girl at home and everybody knows that

Everybody knows that

It would be a fine proposition

If I hadn't once been just like her
