

# Water

ohGr

gray no petals no introduction gray matter for introspection  
water making and breaking seeming fine  
faith no martyr no resolution depth of water over our heads in  
breath restricted all suffocation ...breatha trippy absolute  
eye tripping disease  
no resolution no auto savecrave it matters no fixed solution  
no path crossed aging desert  
scenic fixture and fixing ...wonder whygoal neglected greed for negation  
rights affected last stop salvation  
world objective equalizationCHOICE DECISION NO REAL DIVISION BACK BURN SYSTEMscream for  
your lifefaitn no martyr no resolution depth of water over our heads in  
breath restricted all suffocation ... breatha trippy absolute  
eye tripping disease  
no resolution no auto save
