Lost For Words

Delta Goodrem

Lost for words in our world that
Does it know
What you mean to say?
Doesn't come out soLost for words in our world that
Does it know
What you mean to say?
Doesn't come out soLife is such a wonderful thing
You just never know what life can bring
But when you're stuck for words
You don't know what to say
It comes out the wrong way, it'll be okayBut obviously not much
If you're not gonna say anything nice
Don't say anything at allLost for words in our world that
Does it know
What you mean to say?
Doesn't come out so, nowNow listen to this story I'll tell
About the time when I got lost for words
And it broke people's hearts
Everyone's especially your own
Be careful not to lose friendsIs it enough to say I'm sorry?
I didn't mean to say it?
For I'm lost for words, for words
I was lost for words
