

Sleep Eye

[**Elizabeth Mitchell**](#)

Go to sleep, go to sleep
Go to sleep you little sleep eye
Go to sleep, go to sleep
Go to sleep you little sleep eye
Close the eye, close the eye
Close the eye my little sugar
One eye close, and two eyes close
Go to sleep you little sleep eye
Go to sleep, go to sleep
Go to sleep you little sleep eye
Go to sleep, go to sleep
Go to sleep you little sleep eye
Eyes they close, eyes they close
Eyes they close my little sugar
One had asleep, and two hands asleep
Go to sleep you little sleep eye
Dream a dream, dream a dream
Dream a dream a little sweeter
A big dream, little dream, got a big dream
Go to sleep you little sleep eye
Sleep sleep, sleep sleep
Sleep you sleepy little sleep eye
Sleep sleep sleep sleep sleep sleep
Sleep you sleepy little sleep eye
Go to sleep, go to sleep
Go to sleep you little sleep eye
Go to sleep, go to sleep
Go to sleep you little sleep eye
