didn't leave nobody but the babyyou're a sweet little babe
you're a sweet little babehoney in the rock and the sugar don't stop
gonna bring a bottle to the babydon't you weep pretty babe
don't you weep pretty babeshe's long gone with her red shoes on
gonna need another loving babego to sleep little babe
go to sleep little babeyou and me and the devil makes three
don't need no other lovin' babego to sleep little babe
go to sleep little babecome lay bones on the alabaster stones
