

Stuff You Gotta Watch

Muddy Waters

You know the girl you love, don't treat you right sometimes
(Should be mine, should be mine)

You know the girl you love, don't treat you right sometimes
(Should be mine, should be mine)

That's the stuff you gotta watch 'cause your girl is a liar
You know, the girl you love stays out all night long
(Should be mine, should be mine)

You know, the girl you love stays out all night long
(Should be mine, should be mine)

That's the stuff you gotta watch 'cause your girl's treatin' you wrong
Get my hat
(Get my hat)

I need my coat
(Need my coat)

'Cause I just found out baby you don't want me anymore

That's the stuff you gotta watch, that's the stuff you gotta watch

That's the stuff you gotta watch if you don't wanna lose your girl
You know the girl's no good, don't you make
no change

(Should be mine, should be mine)

You know your girl's no good, don't you make no change
(Should be mine, should be mine)

That's the stuff you gotta watch 'cause you all are just the same
