

In Your Face

Die Antwoord

in your facejealousy makes you nasty
in your face!yo-landi vi\$\$er!
gooi!.....bring it!
bam! you don't know who i am!
i'm a phenomenon that you can never understand
you don't know where i come from! you don't know where i hang!
i fuck you when i slam with my motherfuckin slang
we coming wif that hot stuff drop it like it's warm.....hot
pretty fokken wise hier getatoo op my arm.....pretty fuckin wise
tattooed here on my arm
ag shame if yo-landi vi\$\$er's fuckin wif your brain
don't think about it too much you'll pop a fuckin vein
like b-b-b-boom! gimme fuckin room!
you chilling in the fast lane fucking up my zoom
lekker fokken brain-strain keeping up wif this shit.....sexy mind-fuck
all up in the main vein keep it fuckin twisted
people think they know me but they don't know shit
follow my every move, sniff the seat after i sit
make you feel it when i spit want ek spoeg jou fokken nat.....cos i spit you fuckin wet
all i know is that i'm blowing up like jissis what the fuck? wat?(hook)ninja!
boom! gimme fuckin room!
i'm coming from the dark side of the fuckin moon!
i'm a god or a devil! harder than metal!
ja i'm a rebel! fuck you if you not on my level
lot of nosey naaiers digging in my past.....fuckers
like an irritating little finger in my arse
ja sure ninja changed a little since he left school
so did you but the thing is you a little less cool
look at me now man, damn! i don't know where i am!
what must i do wif all this fuckin money in my hand?
used to be a no-one, now i'm the fuckin man
with this fuck-you money to say fuck you cos i can
woo! jissis guys, this is nice!
chilling up in motherfuckin business class
take this hot face-cloth wipe my bum
get it lekker ready so that you can kiss my arse.....nice and readyfokof!
fok jou!here is something you can't understand...
how i can just flip the fuckin script
