

# Do Somethin'

## Britney Spears

Do you feel this?  
I know I feel this  
Are you ready?  
I don't think so Somebody give me my truck  
So I can ride on the clouds  
So I can turn up the bass  
Like Somebody pass my guitar  
So I can look like a star  
And spent my cash like What ya gonna do when the crowd goes, waoo?  
Why ya standin' on the wall?  
Music startin' everywhere  
So why don't you just move along? I see you lookin' at me  
Like I'm some kind of freak  
Get up out of your seat  
Why don't ya do somethin'? I see you lookin' at me  
Like I got what you need  
Get up out of your seat  
Why don't ya do somethin'? Now you're ownin' my grill  
'Cause I say what I feel  
Only rock to what's real  
And they will bum, bum But I can't do that with you  
Alright here with my crew  
You can roll if you can  
Don't want a punk, punk What ya gonna do when the crowd goes waao?  
Why ya standin' on the wall?  
Music startin' everywhere  
So, why don't you just move along? I see you lookin' at me  
Like I'm some kind of freak  
Get up out of your seat  
Why don't ya do somethin'? I see you lookin' at me  
Like I got what you need  
Get up out of your seat  
Why don't ya do somethin'? I see you lookin' at me  
Like I'm some kind of freak  
Get up out of your seat  
Why don't ya do somethin'? I see you lookin' over here  
Can't you tell I'm havin' fun?  
If you know like I know  
You what's up, starin' at us

Get your own space and do somethin'I see you lookin' at me  
Like I'm some kind of freak  
Get up out of your seat  
Why don't ya do somethin'?I see you lookin' at me  
Like I got what you need  
Get up out of your seat  
Why don't ya do somethin'?I see you lookin' at me  
Like I'm some kind of freak  
Get up out of your seat  
Why don't ya do somethin'?Do somethin'  
Oow  
Why don't ya do somethin'?
