

Hayko Cepkin

Comes the light
 Comes the flame
 Comes the child who is
 Come the sword
 Come the flame
 Come the end of bliss's reign
 Come the dawn
 Come the day
 Wake the softest soul up
 Come the fire
 Come the change
 Lick the rose of Venus' shame
 Come the night
 Come the death
 Down the path out of
 Seven
 Seven
 Seven is my name
 Seven come
 And seven go
 And seven
 Still remain
 Seven
 Seven
 Seven is my name
 Seven on the grandest scale
 And seven
 Still remain
 And the light
 And the flame
 Take the path on
 And the night
 And the day
 Fall upon the knees of
 And the child
 In the flames
 Casted out of eden
