

Hollywood

Collective Soul

Oh, summer
It never leaves your face
You've got that sunshine, bright eyed
California cotton candy taste Yeah, Hollywood
You know I love you more than what I should
Yeah, Hollywood
Oh kiss me, kiss me good Oh, pretty, pretty stars
They love to sparkle for you
You've got that hip lock, laid back
Animated groove attitude Yeah, Hollywood
You know I love you more than what I should
Yeah, Hollywood
Oh kiss me, kiss me good Yeah, Hollywood
You know I love you more than what I should
Yeah, Hollywood
Oh kiss me, kiss me good Yeah, Hollywood
You know I love you more than what I should
Yeah, Hollywood
Oh kiss me, kiss me good Yeah, Hollywood
You know I love you more than what I should
Yeah, Hollywood
Oh kiss me, kiss me good Oh kiss me, kiss me good
Oh kiss me, kiss me good
Oh kiss me, kiss me good
Oh kiss me, kiss me good
Oh kiss me, kiss me good Yeah, Hollywood
Yeah, Hollywood
