Freak Show

JBAR

All a nigga want is some mouth and lip service
All a nigga want is some mouth and lip service
Suck a nigga dick ho, suck a nigga dick ho
I got a stack for the freak show, I got a stack for the freak show
Suck a nigga dick ho, suck a nigga dick ho
I got a stack for the freak show, I got a stack for the freak show

Uh, shorty on a molly, um prolly
Iâ€™m ridinâ€™ with my niggas and we finna catch a body
I check into the telly, you just meet me in the lobby
Throw the horses on my portions and the horse on my Ferrari like
Vroom bitch, vroom-vroom bitch
That DOA, they got sweepinâ€™ with the broom bitch
Iâ€™m talkin murda on that pussy, Iâ€™m a goon bitch
You spend the night, you make it home by afternoon bitch
Move quick, that go a rack
Bust it ho, you gotta boyfriend
But we like fuck him though
But you tell me he a sucka though
Tellin' me listen I done suck a nigga dick or something, bitch

Suck a nigga dick ho, Bitch
Suck a nigga dick ho
I got a stack for the freak show
I got a stack for the freak show
All a nigga want is some of that lip service
All a nigga want is some of that lip service

2 Chainz in these chains in this bitch, ho
Let me rephrase it
2 Chainz in your bitch ho, bustin' over instrumentals
Bust that pussy that pimples
Bustin' like pistols, fuck it
Iâ€™m bustin' that simple (Tell 'em)
Iâ€™m getting head while i'm ridin'
Chauffeur drivin'
If you turn around man your gonna get fired
All I spit is fire like a dragon
I love new pussy, I shouldâ€™ve kept the tag on

Born to win and Iâ€™m built to last
When I had the rock, I used to give em glass
Uh, In the bank like Iâ€™m finna laugh
And when I left, all you see is some dealer tag, Leggo

Suck a nigga dick ho
Yea, suck a dick ho
Yea, I got a stack for the freak show
I got a stack for the freak show
Yea, suck a nigga dick ho
Yea, suck a nigga dick ho
Yea, I got a stack for the freak show
I got a stack for the freak show
All a nigga want is some of that lip service
All a nigga want is some of that lip service

Yeah, oh, I take ATL DOA, MIA itâ€™s KOD
When you hear them albums back
Iâ€™ll be going straight OD
Straight OD, straight OG, you know that I ball ho
I got these bitches looking for me, you should call me Waldo
I tell er to bust it open, bust it like a hog ho
Throw the money in the air, something very far though
Did I leave? Did I leave?
My new chicken got my speed
I be getting ball player money like Iâ€™m in the league
In the league, all I want is lip service
I could kill that pussy, all you bitches gettin' murdered
Swerving I bet they say
Top off and no toupee
These haters say Iâ€™m too baked
'Cause I be swaggin' hot new J's

Suck a nigga dick ho
Yea, suck a nigga dick ho
Yea, I got a stack for the freak show
What?
I got a stack for the freak show
Yea, suck a nigga dick ho
Yea, suck a nigga dick ho
Yea, I got a stack for the freak show
What?
I got a stack for the freak show
All a nigga want is some of that lip service
All a nigga want is some of that lip service
