

One Woman Man

[Josh Turner](#)

If you told me that you love me I would feel so proud
If you'd let me hold you, honey, I'd holler out loud
I'll never love another even if I can
Oh, come to me, baby, I'm a one woman man
Won't you let me, baby, just a kind of hang around?
I'll always love you, honey, and I'll never let you down
I'll never love another even if I can
Oh, come to me, baby, I'm a one woman man
I'd climb the highest mountain if it reached up to the sky
To prove that I love you I'd jump off and fly
I'd even swim the ocean from shore to shore
To prove that I love you a little bit more
Won't you let me, baby, just a kind of hang around?
I'll always love you, honey, and I'll never let you down
I'll never love another even if I can
Oh, come to me, baby, I'm a one woman man
If you told me that you love me I would feel so proud
If you'd let me hold you, honey, I'd holler out loud
I'll never love another even if I can
Oh, come to me, baby, I'm a one woman man
Won't you let me, baby, just a kind of hang around?
I'll always love you, honey, and I'll never let you down
I'll never love another even if I can
Oh, come to me, baby, I'm a one woman man
Come to me, baby, I'm a one woman man
