

# Let Go

## Smile Empty Soul

New orders, are coming from up high  
Controllers, have taken to the sky  
This captivating heart is racing  
Reaching for a line  
Get closer, to what you had in mind  
I just need you to let go  
I just need you to let go  
Holding on  
To the past and what has come and gone  
You must die to be reborn  
I feel it in my bones  
The soldiers, retreating to their rooms  
This captivating has a waiting  
Madness of the soul  
Get closer, the what you're looking for

I just need you to let go  
I just need you to let go  
Holding on  
To the past and what has come and gone  
You must die to be reborn  
I just need you to let go  
I just need you to let go  
I just need you to let go  
I just need you to let go  
Holding on  
To the past and what has come and gone  
You must die to be reborn  
I just need you to let go  
I just need you to let go
